## 2026 8th International Conference on Mechatronics Systems and Control Engineering

Date: August 18-20, 2026

Venue: Hiratsuka, Japan

<https://icmsce.com/>

### Conference Information

2026 8th International Conference on Mechatronics Systems and Control Engineering (ICMSCE 2026). It will be held in Tokai University(Shonan Campus), Hiratsuka, Japan during August 18-20, 2026. Accepted and registered papers will be published into **ICMSCE 2026 Springer -LNEE** Conference Proceedings , which will be submitted for indexing to Ei Compendex, Scopus.

### Important Dates

**Submission Deadline: June 30,2026**

Notification Day: July 15, 2026

Submission Deadline for revised papers:  
July 25, 2026

Registration Deadline: July 25, 2026

Conference Date: August 18-20, 2026

### Submission Methods

Electronic Submission System:

<https://www.zmeeting.org/submission/icmsce2026>

E-mail: [icmsce@acm-sg.org](mailto:icmsce@acm-sg.org)

### SUPPORTED BY

### TECHNICALLY SUPPORTED BY

### Keynote Speaker

Prof. Hisato KOBAYASHI  
(IEEE Life Fellow)  
Emeritus Professor in  
Hosei University, Japan

### Topics

Advanced manufacturing  
Advanced motion control  
Mobile robotics  
Robot intelligence and learning  
Mechatronics engineering  
Sensor development Automation  
equipment and systems  
Control systems: theory & application  
Electrical engineering and automation

**For more topics, you can visit:**

<https://icmsce.com/cfp.html>

### Contact us

Conference Secretary: Ms. Josie SHEN  
E-mail: [icmsce@acm-sg.org](mailto:icmsce@acm-sg.org)

### Conference Venue

Tokai University(Shonan Campus),  
Hiratsuka, Japan  
Address: 4 Chome-1-1 Kitakaname,  
Hiratsuka, Kanagawa 259-1207, Japan
